

Digital Editions are available to all Active Subscribers

The Paralegal Today website features a complete digital version of the print edition of the magazine including all editorial and advertising content. This modern, electronic copy retains the original graphic design and lets you "flip through" the magazine page-by-page on screen, on your iPhone, iPad or other digital device. The digital version is only available to subscribers who have an active subscription. All active subscribers have access to not only the most current issue of Paralegal Today but past digital issues as well, dating back to 2009. Note: Once the last issue of your subscription has expired, you will no longer be able to access the digital edition. So be sure to renew promptly to keep your subscription active and stay informed!

How to access the Digital Editions

- 1) You must be an active, paid subscriber in order to use the Digital Edition.
- 2) To gain access you will need your User Name and Password.
 - A) If you are a "Digital-Only" subscriber your User Name is your email address and your Password is your 5-digit Zip Code.
 - B) If you are a Print Edition subscriber you too may use your email address as your User Name if you had given it to us when you subscribed. If your email is not on record in our files, you can use a code found in your mailing label as your User Name. Check the mailing label printed on the front cover of any issue. Your User Name will be the same as your Customer ID number on the label, following the word "CustLAT" and before the word "Bal." In the example below, your User Name would be 5867845. Your Password is your 5-digit Zip Code. If you have difficulty finding your User Name, you may call the Subscriber Help Line for assistance. Toll Free (877) 202-5196.
